

Plone application for
Translation of user interface strings

gvSIGtraducciones

Soon available at root project:

<http://gvSIG.org>

in the gvSIG “commons” area

Download or visit now at:

<http://www.ModelDD.org>

Test-drive the application with login:

mddtranslator / mddtranslator

If you need any help,
please, look around for
Antonio Carrasco,
(see photo, no suit, though).
or e-mail
carrasco@ModelDD.org
