CarTool v2.1.0 release notes

TABLE OF CONTENTS

1 INTRODUCTION

1.1 Purpose of this document

This document contains the description of the release version 2.1.0 of the Cartography Tool (CarTool).

1.2 Release date

Version 2.1.0 of the CarTool has been released on the 28st of February, 2018 on Joinup.

1.3 Description

The Cartography Tool brings together high-level support for the EIRA as a plug-in for the popular ArchiMate® modelling tool Archi®. It includes both editing features, to model solutions using the EIRA, and querying features to query an EIRA-based Cartography of solutions.

Details on the individual components of this release are provided in the Chapter 2, "Release components".

1.4 List of acronyms used in this document

Table 1-1

Acronym	Description
EIRA	European Interoperability Reference Architecture
