1. INTRODUCTION

1.1. Purpose of this document

This document contains the description of the release version 1.1.1 of the Interoperability Maturity Assessment of a Public Service (IMAPS).

1.2. Release date

Version 1.1.1 of the IMAPS Survey has been released on the 19th February 2018 on Joinup.

1.3. Description

The IMAPS Survey is a highly user-friendly online questionnaire. Designed as a self-assessment tool, the IMAPS survey is designed for public service owners to evaluate key interoperability aspects of their digital public service. On completion of the survey, the public service owners receive tailored, confidential feedback and recommendations on how to further improve their service.

Details on the individual components of this release are provided in Chapter 2, “Release components”.
