1   INTRODUCTION

1.1   Purpose of this document

This document contains the updates performed on the new versions of the IMAPS eLearning modules, "Introduction to IMAPS" and "IMAPS in practice".

1.2   Release date

The updates have been released on the 22 February 2022 on the Learning Platform of the Interoperable Europe Academy.

1.3   Description

The two eLearning modules are designed to enable current and future IMAPS users to understand what the IMAPS solution is about and how IMAPS can support public administrations in improving their digital public services towards seamless interoperability.

2   E-LEARNING MODULES

A **dedicated Joinup page** will be available for details on the IMAPS eLearning modules.

2.1   eLearning module – Introduction to IMAPS

The 2.1 eLearning module – Introduction to IMAPS is available at the Learning Platform of the Interoperable Europe Academy.

Table 1: Updates at the Learning Platform of the Interoperable Europe Academy

Modification	Details
Version 1.0.0	
Changes on the Interoperable Europe Academy Learning Platform for the "Introduction to IMAPS" eLearning module	
Course Metadata	Aligned with the Interoperable Europe Academy Learning Platform and updated the course metadata as required, while we linked the two IMAPS eLearning modules.
Course Introduction	We updated the course introduction including the updates performed from the previous version, while we also linked the two IMAPS eLearning modules.
Tags	Aligned with the Interoperable Europe Academy Learning Platform in order to add relevant tags for our course (Interoperable Europe Academy, Interoperable Europe, IMAPS in caps, EIF).
Self-assessment	Added an assessment description, while a grade ≥60% was set as a prerequisite for getting the certificate.
Certification	A certification can be issued after taking the course and completing the self-assessment with a grade ≥60%.
Feedback section	Added a new module for generating users' feedback.
Changes on the "Introduction to IMAPS" presentation	
Update of the date	Updated the release date of the eLearning module in the Interoperable Europe Academy Learning Platform. (Slide 1)
Replacement of ISA^2 Programme with the Interoperable Europe initiative	Replaced the former ISA^2 Programme with the Interoperable Europe public policy initiative under the Digital Europe Programme (DEP) and reflected the information about DEP. Further to that, we have updated the respective pages in Joinup and social media, as well as the email address. (Slides 2, 13, 14, 36, 37)

Correction of false headlines	Corrected the false headlines based on the title of the eLearning module from *IMAPS IN PRACTICE* to *INTRODUCTION TO IMAPS*. (Slides 7, 8, 36)
Correction of typographical errors	Corrected typographical errors (Slides 5, 6, 7, 8, 31)
Update of links	Updated the links to the IMAPS assessments (Slides 18, 23, 35). Also updated the link to the latest privacy statement (Slide 27) and added the IMAPS user journey link (Slide 34).
Structure alignment	Aligned the structure (text and boxes) that appear in slides 24, 25, 26.
Update of screenshots	Updated the screenshots from the IMAPS assessments in order to match the latest versions available online. (Slides 26, 28, 29)
User journey	Added the user journey showing the transition from IMAPS to IMAPS Specialisations (Slide 32)
GitHub	Updated the contact information including GitHub as an option to communicate with the respondents
Version 1.0.0 beta	

2.2   eLearning module – IMAPS in practice

The 2.2 eLearning module – IMAPS in practice is available at the Learning Platform of the Interoperable Europe Academy.
