1. INTRODUCTION

1.1. Objective and purpose

This document contains the description of the release version 1.1.0¹ of the European Library of Architecture Principles (ELAP).

The CAMSS European Library of Architecture Principles (ELAP) is intended to direct government organizations in initiating changes and implementing IT projects. Particularly when designing new or modified services, it is necessary to make visible how the principles are implemented, and which considerations are made in this regard.

1.2. Release date

This version of the CAMSS European Library of Architecture Principles was released in Joinup on the 31st of March 2022.

1.3. Description

The European Library of Architecture Principles (ELAP) was released on the 31st of March. Its purpose is to direct government organizations in initiating changes and implementing IT projects.

1.4. Terminology

Acronym	Description
AP	Architecture principle, a directive to support the intent of a business regarding its architecture going forward.
CAMSS	Common Assessment Method for Standards and Specifications
EIF	European Interoperability Framework
ELAP	European Library of Architecture Principles

2. RELEASE COMPONENTS

The ELAP v1.1.0 consists of the following release components.

2.1. [ELAP catalogue v1.1.0.rdf](#)

The European Library of Architecture Principles in RDF format.

Modification	Details
Version 1.1.0	
'Domain' column is renamed to 'Scope'	The intent of this column is to map principles against sectors, so the title more clearly clarifies the purpose of its contents.
'Principles' column is renamed to 'Principle name'	This is changed to better align with naming convention of metadata.
'Source:' renamed to 'About source'	Changed to accommodate for indirect references to sources in future releases.
Six architecture principles added	'Primacy of principles', 'Reuse, before buy, before build', 'Loosely coupled integration', 'Carbon-dioxide e-footprint impact awareness' and 'Care from cradle to grave', 'Security by Design'
Two APs removed	'Reusability' was removed (redundant). Security was removed (replaced by 'Security by Design')
Other changes	Updated (defunct) references to sources and re-validated descriptions in various places
