1400 interoperability assets
19 partners organisations

7 partner organisations in the Members States

3 European institutions

3 standardisation organisations

5 other stakeholders

How to join?

What is the best way to describe your asset ADMS.

1 Contact the Joinup team

Describe your assets with ADMS and export them into an RDF file.

2 Describe your assets using ADMS

Propose a repository on Joinup and upload metadata or configure a harvest URL.

3 Import your descriptions on Joinup

Describing with ADMS? It's easy!
