

A Guide for Data Controllers	
Summary	
ID	IE01
Initiative	Ireland
Short description	This booklet is intended as an introductory guide to those persons/bodies who are data controllers, in that they control the contents and use of personal data. It outlines the eight fundamental rules of data protection and presents them in a user friendly format. It is not an authoritative or definitive interpretation of the law, it is intended as a non-technical guide for data controllers.
