# Digital Public Administration infographic 2021

#### MALTA

## Highlights

#### **Political Communications**

The new MITA Strategy covers the period 2021 to 2023 and has a vision of 'Committed to A Digital Future'. The Malta Information Technology Agency (MITA) does this by assisting the government in implementing solutions in the digital sphere.

#### Governance

The <u>Ministry for the Economy and Industry</u> coordinates the development and implementation of eGovernment policy as both <u>MITA</u> and <u>MCA</u>, the two eGovernment executive agencies, fall under it.

## **Digital Public Administration indicators**

Percentage of individuals using the internet for

## \* This is the trend evolution compared data from Eurostat in 2019.

### Legislation

Cap. 546 of the Laws of Malta is in the process of being amended to transpose the provisions of Directive 2019/1024 on Open Data and the Re-Use of Public Sector Information.

#### Infrastructure

In 2020, <u>Identity Malta</u> together with MITA have upgraded the eID Account Management functionality to further align eID with the GDPR and to provide users with additional visibility and control over their eID account.
