

Highlights

Political Communications

One key political communication was the guide [Our New Digital Everyday Life](#), published in January 2021, which highlights how the pandemic has accelerated the digitalisation of society in large and public administration.

Legislation

No new legislation on digital public administration has been published, but several acts related to digital public administration are being revised such as the [Public Administration Act](#) and the [Archival Act](#) in part to consider the digitalisation of public administration.

Governance

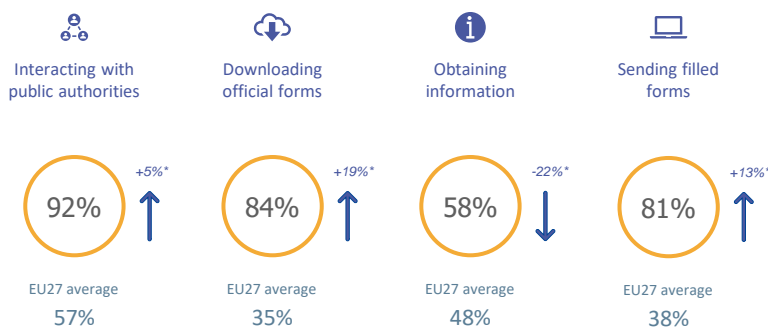

In 2020, the [Norwegian Digitalisation Agency](#) was established and it is the Norwegian government's foremost tool for faster and more coordinated digitalisation of the Norwegian public sector.

Infrastructure

Norway has developed a broad portfolio of [national common digital solutions](#). Some of these are mandatory for state-level enterprises to consider, as outlined in the [Digitalisation Circular](#); others are voluntary.
