Q&A session

OSOR's offer

OSOR Knowledge Centre

OSS Country Intelligence

Case Studies

OSS Strategy

Guidelines for Sustainable Open Source Communities

Specific Resources

OSS Repositories

Observatory providing FOSS expertise and information for public administrations across and beyond Europe since 2007

Open source platform promoting OSS and helping European public administrations with its adoption

Actively connects European **public administrations** with other stakeholders and provides them with useful resources

Nurtures an active **community** by bringing OSOR users together through regular webinars and events

Check out osor.eu for more

OSOR's offer

The screenshot shows the OSOR website interface. At the top, there is a navigation bar with the 'joinup' logo, 'COLLECTIONS', 'SOLUTIONS', and 'KEEP UP TO DATE' links. A search bar with 'Advanced search' and a help icon is on the right. Below the navigation bar is a hero section with the OSOR logo and the title 'Open Source Observatory (OSOR)'. It includes statistics: 'Last update 21 minutes ago', '568 Members', and '0 Solutions', along with a 'YOU'RE A MEMBER' button. A central text block invites users to join the community. Below this is a menu with 'Overview', 'Members', 'About', 'OSOR Newsletters', 'Knowledge Centre', and 'OSOR and Community Events'. A main content area displays '2250 News', '685 Events', and '470 Documents'. A 'MORE' dropdown is next to the documents count. Four featured items are shown: a webinar, a French report, a document on open data, and a Gaia-X AISBL infographic. A footer contains the European Commission logo.
