

OSOR webinar

Public administrations and open source communities: the key aspects for successful collaboration

9 June 2021

Agenda

About OSOR and our speakers

Cristina Moga – Citizen Next and Romanian public administrations: an ongoing collaboration

Arnau Monterde – Governance of Decidim: Public & community centered model of governance for a free software project

Q&A session

Our guest speakers

Cristina Moga, Co-founder of CivicTech România and Citizen Next

Arnau Monterde, Director of Democratic Innovation at the Barcelona City Council and Co-founder of the Decidim project

About OSOR

OSOR's offer

Observatory providing FOSS expertise and information for public administrations across and beyond Europe since 2007

News and case studies

OSOR and community events

Studies and publications

OSS contact points and repositories

Open source platform promoting OSS and helping European public administrations with its adoption by sharing guidelines and best practices

Actively connects European **public administrations** with other stakeholders and provides them with useful resources such as news, newsletters, case studies, policy studies, and a regularly updated list of relevant open source associations and repositories

Nurtures an active **community** by bringing OSOR users together through regular webinars and events

OSOR Knowledge Centre

Country intelligence on OSS policies in Europe

OSS COUNTRY INTELLIGENCE

GUIDELINES

Guidelines for creating sustainable open source software communities

Case studies on the use of OSS in public administrations

CASE STUDIES

List of **associations, competence centres, and points of contact**

Link to the **European Commission OSS Strategy** (2021-2023)

OSS STRATEGY

SPECIFIC RESOURCES

OSS REPOSITORIES

List of **OSS repositories**

*Cristina Moga – Citizen Next and
Romanian public administrations: an
ongoing collaboration*

Question Time

Arnau Monterde – Governance of Decidim: Public & community centered model of governance for a free software project

Question Time

Conclusions

Share your thoughts on the Guidelines

The OSOR Guidelines on the sustainability of open source communities in the public sector are **open for feedback!**

Have a look at the OSOR website to learn more about how to contribute, or contact our team.

We welcome your **contributions!**
